

## Procedures for disposing of a vessel at a Monroe County Transfer Station

- Vessel owners can dispose of their vessel by taking their vessel to one of the three Monroe County Transfer Stations.
- Owners are encouraged to contact the Transfer Station directly to discuss disposal requirements and rates prior to taking the vessel to the station.
- Trailers can also be disposed of at transfer stations.
- The current disposal rate is \$123.50/ton. Most small vessel cost less than \$300 for disposal.
- General guidelines for waste collection (*contact the Transfer Station for more specific guidance*):
  - If motor/out drives are present:
    - They should be removed from vessel
    - Transfer Station can accept them separately as scrap metal
    - Must be empty of all fluids and hazardous materials, which should be put in a separate container for disposal
  - If fuel and/or fuel tanks are present:
    - Must be removed from vessel, but can be accepted separately
    - Fuel must be placed in a separate container for disposal
    - There is a fuel disposal fee of \$0.78/gal
- If household hazardous waste (HHW) is present, these special wastes can only be accepted at the times/dates listed in the table below.
- Once your vessel is disposed, you're encouraged to go to the Tax Collectors Office to permanently 'junk' the vessel title. Call (305) 295-5010 for more information.
