

What is a memorandum of agreement between two parties?

MOAs need to contain, but are not limited to:

1. a listing of the parties involved;
2. a purpose/statement of work;
3. terms and conditions;
4. appropriate bilateral signatures;
5. duration of agreement; and
6. any payment terms or special provisions as applicable.

We've created a [template for an MOA](#) for your convenience.
