Future Land Use Map (FLUM) Amendment Application

MONROE COUNTY
PLANNING DEPT.

An application must be deemed complete and in compliance with the Monroe County Comprehensive Plan and Code by the staff prior to the item being scheduled for review

Application Fee: \$6,090.00 (plus \$850 for the BOCC adoption hearing)

The base fee includes two internal staff meetings with applicants; one Development Review Committee meeting, one Planning Commission public hearing; and one Board of County Commission public hearing. If this minimum number of meetings/hearings is exceeded, additional fees shall be charged pursuant to Fee Schedule Resolution and paid prior to the private application proceeding through public hearings.

In addition to the application fee, the following fees also apply:

Advertising Costs: \$245.00

Surrounding Property Owner Notification (SPON): \$3.00 for each property owner required to be noticed

Transportation Study Review: \$5,000.00 Deposit (any unused funds will be returned upon approval)

Advertising and Noticing fees for a community meeting: \$245.00 plus \$3.00/SPON

Date of Request: 12 / 22 / 2025
Month Day Year

Applicant / Agent Authorized to Act for Property Owner: (Agents must provide notarized authorization from all property owners.)

Legal Description of Property (if in metes and bounds, please attach separate sheet):

1 1-2-3-4-5 Pirates Cove Key Largo
Block Lot Subdivision Key Name

004930000000, 00493010000000, 00493030000000
Real Estate (RE) / Parcel ID Number Alternate Key Number

98454 Overseas Highway Key Largo Fl 33037
Street Address Approximate Mile Marker

Current Future Land Use Map Designation(s): RM

Proposed Future Land Use Map Designation(s): COMM

Current Land Use District Designation(s): IS

Total Land Area Affected by Proposed FLUM (in acres): 0.689

Tier Designation(s): III

Is the property located within the Military Installation Area of Impact (MIAI): Yes No

Existing Use of the Property (If the property is developed, please describe the existing use of the property, including the number and type of any residential units and the amount and type of any nonresidential development):

marine service shop - see attached letter of understanding.

Please describe the reason for the proposed FLUM amendment (attach additional sheets if necessary):

Correctional for improper re-zoning - see attached letter of understanding

The Board of County Commissioners adopted Policy 101.5.26 (effective on November 20, 2012). Pursuant to Policy 101.5.26, any private application requesting a future land use map amendment after this effective date which proposes an increase in allocated residential density, must be designated as Tier III and have existing public facilities and services, including central wastewater facilities. Additionally, any private application requesting a future land use map amendment after this effective date which proposes an increase in allocated residential density shall be required to purchase and donate land to offset the proposed increase (includes the requirement to donate acreage or Improved Subdivision lots).

Provide the net change in density for the proposed FLUM amendment. Is there a proposed increase? What steps would be taken to comply with Policy 101.5.26? (attach additional sheets if necessary):

This change reduces density from 1 per lot to 0

Pursuant Chapters 163 and 380, Florida Statutes, an amendment to the Comprehensive Plan must be consistent with Florida Statute, with the Monroe County Comprehensive Plan, and with the Principles for Guiding Development for the Florida Keys Area, Section 380.0552(7), Florida Statute. Please describe how the proposed text amendment is consistent with each of the following (attach additional sheets if necessary):

- 1) The proposed amendment is consistent with Part II of Chapter 163, Florida Statute. (At a minimum, please review and address Sections 163.3177, 163.3178, 163.3180, and 163.3184, F.S.) Specifically the amendment furthers:

This change furthers the comprehensive plan by maintaining and preserving existing uses, see attached letter of understanding.

- 2) The proposed amendment implements and is consistent with the following Goals, Objectives and Policies of the Monroe County Year 2030 Comprehensive Plan:

This change follows the comprehensive plan and further supports policy 101.5.26 by reducing density.

And furthers policy 101.5.8 by maintaining and preserving non-residential usage.

- 3) Does the proposed amendment meet adopted level of service standards of the Monroe County Year 2030 Comprehensive Plan (see Policy 101.1.1)? Provide an analysis of the availability of facilities and services corresponding to the proposed amendment. Please attach any Letters of Coordination from utility providers as well:

Yes, there will be no change.

- 4) The proposed amendment is consistent with the Principles for Guiding Development for the Florida Keys Area, Section 380,0552(7), Florida Statute:

Yes, there will be no change - see letter of understanding attached.

The Board of County Commissioners may consider an ordinance to transmit to the State Land Planning Agency an amendment if the change is based on one or more of the following factors. Please describe how one or more of the following factors shall be met (attach additional sheets if necessary):

- 1) Changed projections (e.g. regarding public service needs) from those on which the text was based

Not applicable

- 2) Changed assumptions (e.g. regarding demographic trends):

Not applicable

- 3) Data errors, including errors in mapping, vegetative types and natural features:

*Correction for improper re-sampling in 1986
See attached letter of understanding.*

- 4) New issues:

Not applicable

- 5) Recognition of a need for additional detail or comprehensiveness:

*Correction for improper re-sampling in 1986,
see attached letter of understanding.*

6) Data updates:

Not applicable

In no event shall an amendment be approved which will result in an adverse community change of the planning area in which the proposed development is located or to any area in accordance with a Livable CommuniKeys master plan. Please describe how the text amendment would not result in an adverse community change (attach additional sheets if necessary):

No changes are proposed, this is to correct an improper zoning change in 1986, see attached letter of understanding

* * * * *
Applicants requesting a FLUM Amendment shall provide for public participation through a community meeting, as indicated in Code Section 102-159.

Scheduling. The applicant will coordinate with the Planning Director regarding the date, time and location of the proposed community meeting; however, all meetings are to be held on a weekday evening at least three (3) months prior to any of the public hearings.

Notice of Meeting. The community meeting shall be noticed at least 15 days prior to the meeting date by advertisement in a Monroe County newspaper of general circulation, mailing of notice to surrounding property owners, and posting of the subject property.

Noticing and Advertising Costs. The applicant shall pay the cost of the public notice and advertising for the community meeting and provide proof of proper notice to the Planning Director.

The community meeting shall be facilitated by a representative from the Monroe County Planning & Environmental Resources Department and the applicant shall be present at the meeting.

PROOF OF PROPER NOTICING ON THE COMMUNITY MEETING WILL BE REQUIRED.

* * * * *

All of the following must be submitted in order to have a complete application submittal:
(Please check as you attach each required item to the application)

- Completed application form (unaltered and unbound)
- Correct fee (check or money order payable to *Monroe County Planning & Environmental Resources*)
- Proof of ownership (i.e., Warranty Deed)
- Ownership Disclosure Form
- Current Property Record Card(s) from the Monroe County Property Appraiser
- Location map
- Photograph(s) of site(s) from adjacent roadway(s)
- Signed and Sealed Boundary Survey(s), prepared by a Florida registered surveyor – three (3) sets (at a minimum, survey should include elevations; location and dimensions of all existing structures, paved areas and utility structures; all bodies of water on the site and adjacent to the site; total acreage by land use district; total acreage by habitat; and total upland area)
- A list of names and addresses of all property owners within a 600 foot radius of the property(ies). This list should be compiled from the current tax rolls of the Monroe County Property Appraiser. In the event that a condominium development is within the 600 foot radius, each unit owner must be included
- Copy of current Future Land Use Map (request from the Planning & Environmental Resources Department prior to application submittal)

If applicable, the following must be submitted in order to have a complete application submittal:

- Notarized Agent Authorization Letter** (note: authorization is needed from all owner(s) of the subject property)
- Traffic Study, prepared by a licensed traffic engineer (*required if application affects specific and defined area*)
- Transportation fee of \$5,000 to cover the cost of experts hired by the Department to review the traffic study – any unused funds deposited will be returned upon approval (*required if application affects specific and defined area*)

If deemed necessary to complete a full review of the application, within reason, the Planning & Environmental Resources Department reserves the right to request additional information.

Additional fees may apply pursuant to the approved fee schedule.

* * * * *

Has a previous application been submitted for this site(s) within the past two years? Yes No

Is there a pending code enforcement proceeding involving all or a portion of the parcel(s) proposed for development? Yes No Code Case file # _____ Describe the enforcement proceedings and if this application is being submitted to correct the violation: _____

CE 23060074, CE 23060075, CE 23060076

The applicant/owner hereby acknowledges and agrees that any staff discussions or negotiations about conditions of approval are preliminary only, and are not final, nor are they the specific conditions or demands required to gain approval of the application, unless the conditions or demands are actually included in writing in the final development order or the final denial determination or order.

By signing this application, the owner of the subject property authorizes the Monroe County Planning & Environmental Resources staff to conduct all necessary site visits and inspections on the subject property.

I, the Applicant, certify that I am familiar with the information contained in this application, and that to the best of my knowledge such information is true, complete and accurate.

Ownership Disclosure of Interest

Pursuant to Section 101-6 of the Land Development Code, this form shall accompany land-use related applications. The intent is to disclose the identity of true parties in interest to the public, thereby enabling the public to ascertain which parties will potentially benefit.

Any person or entity holding real property in the form of a partnership, limited partnership, corporation, assignment of interest, trust, option, assignment of beneficial or contractual interest, or any form of representative capacity whatsoever for others, except as otherwise provided, shall, during application submittal for a specified application types, make a public disclosure, in writing, under oath, and subject to the penalties prescribed for perjury. Exemptions to the requirements of this section include the beneficial interest which is represented by stock in corporations registered with the federal securities exchange commission or in corporations registered pursuant to Chapter 517, Florida Statutes, whose stock is for sale to the general public.

This written disclosure shall be made to the planning director at the time of application. The disclosure information shall include the name and address of every person having a beneficial or contractual interest in the real property, however small or minimal.

- If the property is owned fee simple by an INDIVIDUAL, tenancy by the entirety, tenancy in common, or joint tenancy, list all parties with an ownership interest as well as the percentage of such interest. (Use additional sheets if necessary):

<i>Name and Address</i>	<i>% of Ownership</i>
<i>James Christopher Carson</i>	
<i>65 Shoreland Dr. Key Largo, FL 33037</i>	
<i>98454 (98454 overseas Hwy)</i>	

- If the property is owned by a CORPORATION, list the officers and stockholders and the percentage of stock owned by each. (Use additional sheets if necessary):

<i>Name and Address</i>	<i>% of Ownership</i>

- If the property is in the name of a TRUSTEE, list the beneficiaries of the trust with the percentage of interest. (Use additional sheets if necessary):

<i>Name and Address</i>	<i>% of Ownership</i>

* In the case of a trust, the four largest beneficiaries must also sign the affidavit.

- If the property is in the name of a GENERAL or LIMITED PARTNERSHIP, list the name of the general and/or limited partners. (Use additional sheets if necessary):

<i>Name and Address</i>	<i>% of Ownership</i>

- If there is a CONTRACT FOR PURCHASE, with an individual or individuals, a Corporation, Trustee, or a Partnership, list the names of the contract purchasers below, including the officers, stockholders, beneficiaries, or partners. (Use additional sheets if necessary):

<i>Name and Address</i>	<i>% of Ownership</i>

* Please provide date of contract _____

- If any contingency clause or contract terms involve additional parties, list all individuals or officers, if a corporation, partnership, or trust. (Use additional sheets if necessary):

<i>Name and Address</i>

By signing this form, the signer certifies that he or she is a person who is familiar with the information contained in the form, and that to the best of his or her knowledge such information is true, complete and accurate.

TRIM Notice

[User Privacy Policy](#) [GDPR Privacy Notice](#)
Last Data Upload: 12/19/2025 11:09:44 PM

DESCRIPTION:

LOTS 1, 2, 3, 4, and 5, BLOCK 1, PIRATES COVE, according to the Plat thereof, as recorded in Plat Book 3, Page 18, of the Public Records of Monroe County, Florida.

SURVEY NOTES:

1. The sketch hereon represents a boundary survey of a parcel(s) of land with existing aboveground improvements located, and spot elevations.
2. Elevations are shown thus: X 9.1' and refer to mean sea level, 1929 adjustment (NGVD), and have a prime reference of X275, E. 13.01'
3. No underground utilities or structures were located by this survey.
4. No encroachments or notorious evidence of occupation and/or use of the described parcel for rights-of-way, ingress and egress were noted by this survey unless shown hereon.
5. The bearings and/or North arrow hereon were derived from the recorded plat or the description hereon. The bearing base for this survey is denoted thus: (*).
6. This parcel lies in N.F.I.P. Flood Zone X, base flood elevation N/A as shown on map panel #1208700629K, revised on 2/18/05.
7. The description was furnished by the client. Only easements and rights-of-way depicted or described on the recorded plat or stated in the description hereon are shown.
8. Additions or deletions to survey maps/reports by other than the signing party/parties is prohibited without written consent of the signing party/parties.

November 25, 2025

James Christopher Carson
65 Shoreland Drive
Key Largo, FL 33037

Subject: Letter of Understanding (File 2025-032) 98454 Overseas Highway, Key Largo, Block 7, Lots 1-5, Pirates Cove Subdivision, Plat Book 3, Page 18, having Parcel ID Nos. 00493000-000000, 00493010-000000, and 00493030-000000

Dear Mr. Carson:

This letter is in response to your request for a determination to establish the lawfulness of a nonconforming light industrial use pursuant to Monroe County Land Development Code (LDC), also referred to as "The Code", Section 102-55(b). The purpose of this LOU is to determine if a body of evidence exists supporting the lawful establishment of a light industrial land use prior to the change in regulation that deemed the land use or structure nonconforming. The information contained in this LOU was discussed with the Applicant at a meeting held on July 8, 2025.

In attendance at the meeting were:

- James Christopher Carson, Applicant
- Cheryl Cioffari, AICP, Assistant Director of Planning

Materials presented for review included:

- Property Record Card;
- Warranty Deeds; and
- Building Permits

Background Information:

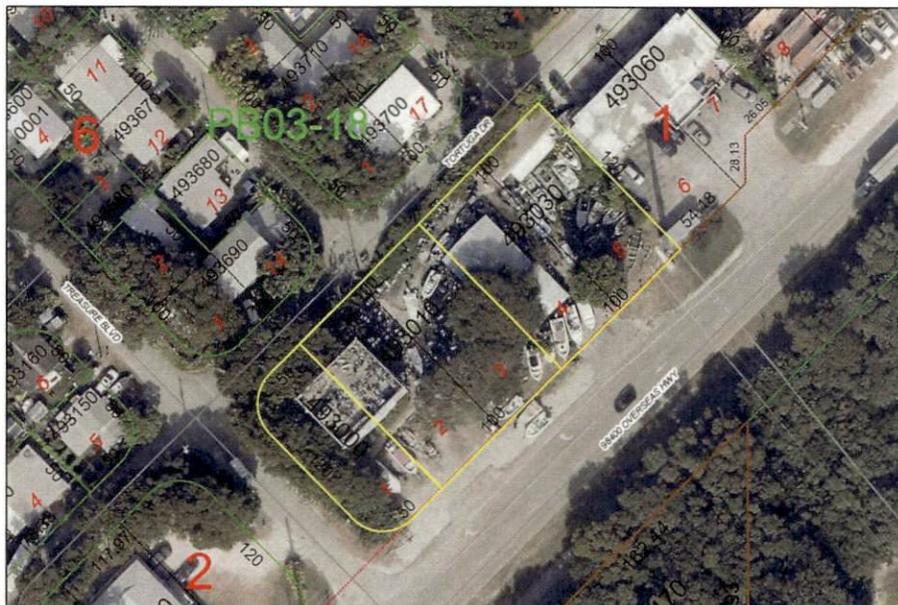

The subject property is located at 98454 Overseas Highway, Key Largo (the "Property"). The Property is bordered to the north, west and south by three (3) right-of-way frontages (Tortuga Drive, Treasure Boulevard, and U.S. 1 Overseas Highway, respectively), and in the immediate vicinity to the north and west by residential uses, to the east by a mix of commercial and light industrial uses and to the south vacant land across U.S. 1 Overseas Highway.

The Property is described as Lots 1-5, Block 1, Pirates Cove Subdivision, according to the Plat thereof, as recorded in Plat Book 3, Page 18, of the Public Records of Monroe County, FL, having Parcel ID Nos. 00493000-000000, 00493010-000000, and 00493030-000000.

The Property is located within the Improved Subdivision (IS) Land Use (Zoning) District and is designated Residential Medium (RM) on the Future Land Use Map (FLUM) of the Comprehensive Plan. The aerial photograph below shows the boundaries of the Property and the Land Use Districts of the immediate area.

The Property (parcels outlined in blue) with Land Use (Zoning) Districts (Aerial Dated 2025)

The Monroe County Property Appraiser Map with Lots Identified (parcels outlined in yellow) (Aerial Dated 2025)

Review and Analysis:

LDC Section 102-56. – Nonconforming Uses.

- (a) **Authority to continue.** Nonconforming land uses or structures may continue in accordance with the provisions of this section. Notwithstanding any provision of this section or of this Land Development Code and/or the Comprehensive Plan:
- (2) Nonconforming nonresidential uses in OS, NA, SS, SR, SR-L, IS, IS-D, URM, and UR land use districts, which lawfully existed on January 4, 1996, may develop, redevelop, reestablish and/or substantially improve, provided that the use is limited in intensity, floor area, and to the type of use that existed on **January 4, 1996** and is registered in accordance with Section 102-55.

LDC Section 102-55. – Registration.

- (a) All known, lawful nonconforming land uses and structures may be registered with the Planning and Environmental Resources Department. In the course of its duties related to development review, staff of the department shall identify and recognize nonconforming land uses and structures. Property owners may also independently apply to the department for such determinations.
- (b) The Planning Director, or his or her assigned designee, shall review available documents to determine if a body of evidence exists supporting the lawful establishment of a land use or structure prior to the change in regulation that deemed the land use or structure nonconforming. Any issued Monroe County building permit(s) for the original lawful establishment or lawful construction of the land use or structure, confirming its approval and existence prior to the change in regulation that deemed the land use or structure nonconforming, can stand as the only piece of evidence. If there are no such building permit(s) available, additional evidence shall be documented and submitted to the Planning Director on a form provided by the Planning and Environmental Resources Department and shall include, at a minimum, at **least two** of the following documents:

- (1) Any other issued Monroe County building permit(s) approving or supporting the existence of the structure(s) and/or use;

Permit#	Issue Date	Lot(s) on Permit	2025 Parcel ID#(s)	Purpose	Notes
C11280	5/21/1982	Lots 4 & 5	00493030-000000	Construct a wood fence	Wood fence details include 300 ln. ft., 4.5 ft. height. Site plan sketch depicts an existing building, cleared land, vegetation, and asphalt along U.S. 1 frontage, and a proposed 12-ft. wide access entrance and drive from northerly frontage along Tortuga Drive extending to existing asphalt. A specific land use was not identified in this permit.
C13305	7/21/1983	Lots 4 & 5	00493030-000000	Construct chain link fence	Chain link fence approved as 56 ln. ft., 6 ft. height. Site plan sketch depicts existing building and proposed chain link adjacent to frontage along U.S. 1. A specific land use was not identified; however, the property owner was identified as Walter’s Auto Repair, indicating an auto service (light industrial) use .
C13362	7/29/1983	Lot 4	00493030-000000	Construct concrete slab	Site plan sketch depicts slab with 5-ft. setback to property line and depicts existing fence posts. A specific land use was not identified in this permit.
C13402	8/05/1983	Lot 4	00493030-000000	Construct detached canopy	Canopy was proposed as detached 25-ft. by 35-ft. (875 sq. ft.) structure to the rear of existing building. Survey with canopy sketch depicts Lots 4 & 5 and existing concrete block building containing 508 sq. ft., asphalt along U.S. 1 frontage, and a 12-ft wide asphalt access drive. A specific land use was not identified in this permit. A copy of the survey with sketch has been included as Attachment 1 to this Letter.

C13466	8/18/1983	Lot 4	00493030-000000	Relocate electric meter	Site plan sketch depicts Lots 4 & 5 and includes business name "Walter's Auto Repair". A specific land use was not identified in this permit, however the business name as depicted on the site plan indicates an auto service (light industrial) use.
C14916	4/25/1984	Lots 1 & 2	00493000-000000; 00493010-000000	Construct one-story marine shop & clear land	Permit approved for a one-story marine engine repair shop building with roof access containing 1,600 sq. ft. floor area and 400 sq. ft. covered, unenclosed service area, and land clearance. Plans depicted a 21-ft. wide access entrance along U.S. 1, 10 off-street parking spaces (1 handicap), a drain field, a 10-ft. wide vegetation buffer along U.S. 1, Treasure Boulevard, and Tortuga Drive frontages, & a vegetation plan. The property was approved for a marine-oriented boat service (light industrial) use with accessory office and commercial retail areas. A copy of the site and vegetation plans have been included as Attachment 2 to this Letter.
C16219	1/03/1985	Lots 1 & 2	00493000-000000; 00493010-000000	Construct chain link fence	Chain link fence of 195 ln. ft., 6 ft. height. Site plan depicts fence located northerly and easterly of existing building, bounding an area of 3,025 sq. ft., with access gate to U.S. 1. Measurement details appear to encroach onto Lot 3. The property was previously approved for a marine-oriented boat service (light industrial) use.
C16627	3/08/1985	Lots 3, 4 & 5	00493010-000000; 00493030-000000	Add awning to existing canopy	Lots 3, 4, & 5 were aggregated for development under this permit. Canopy awning approved for 10 ft. by 40 ft. (400 sq. ft. of canopy). No site plan provided; however, a framing plan depicts an angled awning roof consisting of a 10-ft. slope with a 4-ft drop (i.e., 9.2-ft width), for a total covered, unenclosed addition of 368 sq. ft. A review of existing structures indicates the awning was constructed on Lots 3 & 4. A specific land use was not identified in this permit.
C17119	5/22/1985	Lot 5	00493030-000000	Add chain link fence	Chain link fence of 70 ln. ft., 6 ft. height. A specific land use was not identified in this permit.
C19679	6/26/1986	Lots 1 & 2	00493000-000000; 00493010-000000	Construct second floor	Plans approved a 2nd floor addition with 2,000 sq. ft. floor area for storage to the existing building, for a total of 3,600 sq. ft. floor area. The property was previously approved for a marine-oriented boat service (light industrial) use.
C19941	7/25/1986	Lots 4 & 5	00493030-000000	Construct chain link fence	Chain link fence approved as 100 ln. ft., 6 ft. height. Site plan sketch depicts fencing was proposed to the rear of the existing building with an apparent unfenced means of access. Measurement details appear to encroach onto Lot 3. A specific land use was not identified in this permit; however, the owner was identified as Walt's Auto Shop, indicating an auto service (light industrial) use.
00304115	9/20/2000	Lot 4	00493030-000000	Re-roof	Replace 900 sq. ft. of shingle roofing with 5-V crimp galvanized roofing. A specific land use was not identified in this permit.
16300199	1/20/2016	Lot 1	00493000-000000	Plumbing connection	Plumbing wastewater sewer tie-in connection. A specific land use was not identified in this permit; however, the included Dept. of Health application states the use of the property as Marine Service Repair Shop, which is consistent with the previously approved marine-oriented boat service (light industrial) use.

Building permits support the existence of 4,108 square feet of floor area with a light industrial use and 1,643 square feet of unenclosed outdoor light industrial area, on the Property on or about January 4, 1996. These are further detailed in the following manner (as referenced in the above referenced building permits):

- Lots 1 and 2, Block 1, Pirates Cove: a structure with a marine engine repair service use containing 3,600 square feet floor area and 400 square feet unenclosed service area, 10 off-street parking spaces, an access entrance along U.S. 1 Overseas Highway, a 10-foot wide vegetated buffer, cleared land, and fencing.
- Lots 3 and 4, Block 1, Pirates Cove: the as-built awning extension of a canopy structure on Lot 4 containing 368 square feet unenclosed area.
- Lot 4, Block 1, Pirates Cove: a 508 square foot concrete block structure, a canopy structure containing 875 square feet unenclosed area, paving, and northwesterly and southeasterly access entrances.
- Lots 4 and 5, Block 1, Pirates Cove: cleared land and fencing.

(2) Documentation from the Monroe County Property Appraiser's Office supporting the existence of the structure(s) and/or use;

Lots 1 and 2, Block 1, Pirates Cove, currently bearing Parcel ID #s 00493000-000000 and 00493010-000000 (see partial Lot 2 information below):

An archived Property Appraiser record indicates a one-story concrete structure containing 1,600 square feet floor area existed in 1985 on Lots 1 and 2, Block 1, Pirates Cove. An image from the archived record depicts the onsite business name of "Chris Carson's Marine Service & Supply".

1985 Monroe County Property Appraiser Property Record for Lots 1 and 2, Block 1, Pirates Cove

The 1992, 1993 and 1996 Property Appraiser record cards for Lot 1, Block 1, Pirates Cove, currently bearing Parcel ID# 00493000-000000, indicate a three-story concrete structure with two stories containing 3,600 square feet floor area, with a 1984 year-built date, and include appraiser note: "CHRIS CARSON MARINE SERVICE & SUPPLY".

1993 Monroe County Property Appraiser Property Record for Lot 1, Block 1, Pirates Cove

Lots 2 and 3, Block 1, Pirates Cove, currently bearing Parcel ID# 00493010-000000 (see partial Lot 2 information above):

The 1992, 1993, and 1996 Property Appraiser record cards for Lots 2 and 3, Block 1, Pirates Cove, do not indicate any existing buildings. However, Staff notes from permitting history that the building on Lot 1 crosses the boundary onto Lot 2 and the canopy on Lot 4 crosses onto Lot 3.

Lot 4, Block 1, Pirates Cove, currently bearing Parcel ID# 00493030-000000:

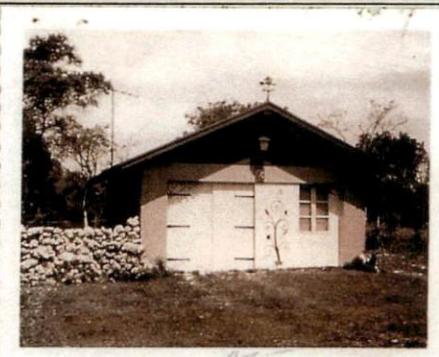

An archived property record known as a "Green Card" depicts a concrete block structure existing in 1965 and in 1978 containing 508 square feet floor area on Lot 4. The Green Card includes notes that the building was used as a store at that time.

Monroe County Property Appraiser Green Card for Lot 4, Block 1, Pirates Cove

The 1992, 1993 and 1996 Property Appraiser Record cards for Lot 4, Block 1, Pirates Cove, depict a building with a 1958 year-built date containing 508 square feet of floor area. These cards further include an appraiser note that states: "ALSO RE 493040 WALTERS AUTO REPAIR"; the currently unused Parcel ID# 00493040-000000 was previously associated with Lot 5, Block 1, Pirates Cove.

1992 Monroe County Property Appraiser Record Card Appraiser Notes for Lot 4, Block 1, Pirates Cove

Lot 5, Block 1, Pirates Cove, currently bearing Parcel ID# 00493030-000000:

Formerly known by the Parcel ID # 00493040-000000, the 1992 Property Appraiser Record card for Lot 5, Block 1, Pirates Cove, depicts a parcel of land with no buildings and no use is identified. However, Lot 5, Block 1, Pirates Cove, was referenced on the 1992 Property Appraiser Record card for Lot 4, Block 1, Pirates Cove, which included an appraiser note regarding this former parcel ID# stating: "ALSO RE 493040 WALTERS AUTO REPAIR".

Property Appraiser records indicate that Parcel ID # 00493040-000000 was deleted on June 17, 2012. Lot 5, Block 1, Pirates Cove, currently bears Parcel ID# 00493030-000000, which is also shared with Lot 4, Block 1, Pirates Cove.

Monroe County Property Appraiser records support the existence of a building located on Lots 1 and 2, Block 1, Pirates Cove, with a marine services and supply use containing 3,600 square feet floor area, and a building located on Lot 4, Block 1, Pirates Cove, with a previous commercial retail use containing 508 square feet floor area and a business on Lot 5, Block 1, Pirates Cove known as Walter's Auto Repair, an apparent auto shop services use, that was also associated with Lot 4, Block 1, Pirates Cove, on January 4, 1996.

(3) Aerial photographs and original dated photographs showing the structure or land use existed on site;

Available aerial photography depicts a structure on what would be approximately Lot 4 since at least 1959. By 1964, Lot 4 appears to have been mostly cleared, and by 1971, Lot 4 appears entirely cleared.

Aerial photography from 1985 through 2015 depicts on the property two (2) structures and accessory areas that were utilized for parking and/or accessory outdoor storage. The 1985 aerial depicts the previously existing structure in 1971 with what appears to be a large addition to the northwest (consistent with the addition of the canopy structure referenced in building permit records); the 1991 aerial through the current date shows this same addition having been expanded and extending towards the southwest (consistent with the addition of the canopy awning referenced in permit records). Identified uncovered outdoor use areas depict structures that appear and disappear in the 1985 and 1991 aerial photos and appear consistent between the 1994 and 1997 aerial photos.

From 2017 through present date an additional structure(s) appears to be located on northeasterly corner of the Property, what would be approximately Lot 5.

Aerial photography supports the existence on January 4, 1996, of multiple structures and uncovered outdoor use of the property. As a note, aerial photography can only confirm the number of structures, not the use or the number of dwelling units, in existence at any given time.

1994 Florida Department of Transportation Aerial Image. Red outlining added for identification.

1997 Florida Department of Transportation Aerial Image. Red outlining added for identification.

(4) State and/or county licenses, supporting the existence of the structure(s) and/or land use;

Monroe County Tax Collector:

 2655 STATE ST.
 W. MELBOURNE, FL

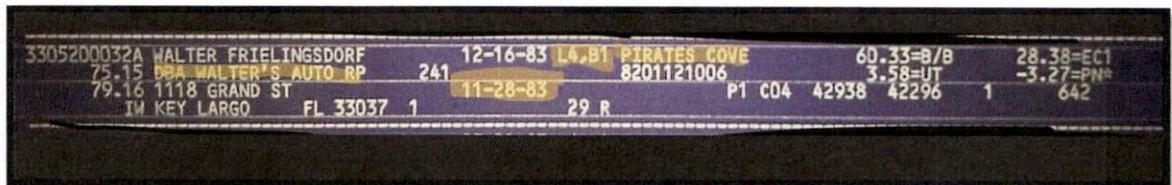

State and county licenses provided do not directly support the existence on January 4, 1996, of structure(s) or land use(s) on the Property.

- (5) Documentation from the utility providers indicating the type of service (residential or commercial) provided; and

Florida Keys Electric Cooperative (FKEC):

FKEC identified the Property located at 98454 Overseas Highway to contain two (2) commercial meters since 1985.

Archived records from 1983 indicates service to Walter Frielingsdorf doing business as (DBA) Walter's Auto RP at Lot 4, Block 1, Pirates Cove.

1983 FKEC Service Record to Lot 4, Block 1, Pirates Cove. Yellow highlighting added for identification.

Florida Keys Aqueduct Authority (FKAA):

FKAA identified two (2) meters for the Property. Specifically, the Property with parcel ID 00493000-000000 and known as 98454 Overseas Highway has had continuous nonresidential service since 7/12/1984; this parcel ID currently consists of Lot 1, Block 1, Pirates Cove. And the property with parcel ID 00493030-000000 and known by FKAA records as 98474 Overseas Highway has had continuous residential service since 7/02/1963; this parcel ID currently consists of Lots 4 and 5, Block 1, Pirates Cove.

Documentation from utility providers supports the existence of commercial / nonresidential service on the Property on at least Lots 1 and 4, Block 1, Pirates Cove on January 4, 1996.

(6) Similar supporting documentation not listed above as determined suitable by the Planning Director.

Notarized Letters

A letter signed by Deputy Fire Marshal David Rodriguez dated July 15, 2024, states Lots 1 and 2, as the site of the original business Chris Carson's Marine Service ("CCMS"), has been in constant operation since 1984. In 1986, Chris Carson acquired Lots 3, 4 and 5 which were in constant use by Walter Frielingsdorf doing business as Walter Auto Repair, since the early 1980s. A copy of the signed letter has been included as Attachment 3 to this Letter.

A notarized letter by Mary Navarrete dated September 11, 2025, states she worked for Walter's Auto Shop from April 1988 through May 1989 as a counter person estimator, that Walter's property was a big shop from the south side of the property next to Chris Carsons all the way to the small apartment complex, contained several bays and a vehicle lift, was always crowded with cars being worked on for customers or projects the mechanics were working on, and that the rear cement slab in the back was extended to the fence line to do oil changes that did not run off into the ground. A copy of the signed letter has been included as Attachment 4 to this Letter.

Land Use District(s)

The Property is located within the Improved Subdivision (IS) Land Use (Zoning) District, in which light industrial use is not a permitted use, and in which nonconforming nonresidential uses which lawfully existed on January 4, 1996, may develop, redevelop, reestablish and/or substantially improve, provided that the use is limited in intensity, floor area, and to the type of use that existed on January 4, 1996 and is registered in accordance with Section 102-55.

In 1973, Monroe County adopted Ordinance #1-1973 approving a revised set of zoning regulations and approved a series of land use district zoning maps (also known as the pre-1986 zoning maps). These maps were effective from their approval in 1973 until the adoption of Ordinance #033-1986 in 1986.

At the time of adoption Lots 1, 2 and 5, Block 1, Pirates Cove, were in the RU-1M zoning district and Lots 3 and 4, Block 1, Pirates Cove, were in the BU-2 zoning district. Single-family dwellings was a permitted use in the RU-1M district [Ref. Sec. 19-195]. Mechanical services, wholesaling, warehousing, storage, and service stations were permitted uses in the BU-2 district [Ref. Secs. 19-136 & 19-217]. Further, at the time of adoption, any non-conforming uses of the land, including on another lot, were required to come into compliance within one (1) year of the adoption of these zoning regulations [Ref. Sec. 19-119]. Additionally, in all districts, off-street parking and loading facilities were to be provided by applicable building or use type, irrespective of zoning district [Ref. Sec. 19-124].

The pre-1986 zoning regulations in effect included the following relevant terms [Ref. Sec. 19-5]:

Accessory use or accessory structure. A use or structure on the same lot with, and of a nature customarily incidental to the principal use or structure, and which is not an integral part of the main structure.

Non-conforming use of land. The use of any land for other than a use specifically permitted in the district in which the lot or parcel is located.

Service stations. Any business engaged primarily in the servicing of automotive vehicles, including the sale and delivery of fuel, lubricants, and other products necessary to the operation of automotive vehicles including the sale and installation of accessories, tires and batteries, seat covers, tire repair, cleaning facilities, minor engine tune-ups and wheel balancing and aligning, brake service, but not including mechanical or body repair facilities, the sale or rental of vehicles or trailers. This term shall also include the term “filling station” and “gasoline pumping station.”

Use. Any activity, function, or purpose to which a parcel of land or a building is put and shall include the words “used,” “arranged,” or “occupied” for any purpose including all residential, commercial, business, industrial, public or any other use.

- (1) *Principal use.* The main use establishing the reason and basis for a building or a structure and comprising the general activity for which such building and/or property is used.
- (2) *Accessory use.* Accessory uses are those activities established as secondary, in support of and dependent upon the principal use. No accessory use shall be permitted which is not otherwise permitted as a principal use in the district in which both the principal use and accessory use are proposed.

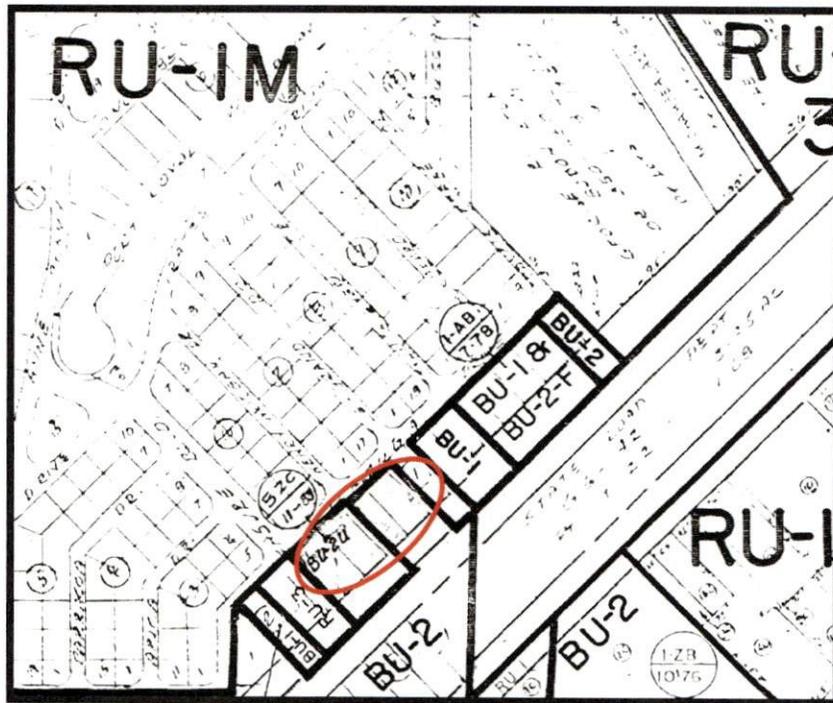

Figure 1. 1973 Zoning Maps, with noted amendments. Red oval added for identification.

On November 18, 1983, Monroe County Zoning Board Resolution No. 56-83 approved a zoning classification change to BU-2U (Medium Business District) from RU-1M (Single Family Residential District) for Lots 1 and 2, Block 1, Pirates Cove. Boat sales and service, including motors and trailers, was a permitted use in the BU-2U district [Ref. Sec. 19-217.5]. No changes to the zoning of Lots 3, 4 and 5,

Block 1, Pirates Cove, had occurred at this time; Lots 3 and 4 remained BU-2 zoning and Lot 5 remained RU-1M zoning.

In 1986, Ordinance #33-1986 approved and adopted the Monroe County Land Use Plan and Land Development Regulations with an effective date of September 15, 1986. The land use plan included a revised series of zoning maps (also known as the Pattison Maps). The zoning map series was signed by then Planning Director Charles Pattison in 1986 and consisted of 21 sheets scaled at 1"=1000'. The Pattison Maps were effective from their approval in 1986 until the final approval of revised maps in 1992.

On the Pattison Maps, the Property was zoned Improved Subdivision (IS) District. Within IS zoning, detached dwellings, commercial retail of low and medium intensity and office uses, and marinas are permitted uses either as of right or by major conditional use permit [Ref. Sec. 9-212; subsequently renumbered as Sec. 9.5-242]. All other uses within IS were rendered nonconforming uses, and nonconforming uses of land or structures were allowed to continue, however not allowed to be extended, enlarged, or relocated [Ref. Sec. 7-103; subsequently renumbered as Sec. 9.5-4].

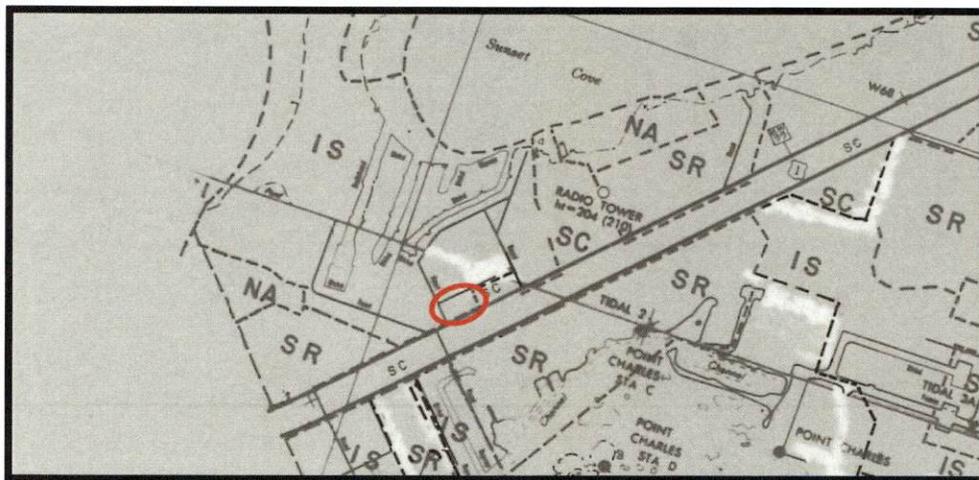

Figure 2. 1986 Pattison Maps. Red oval added for identification.

In 1992, a revised series of zoning maps was approved (also known as the Craig Maps). These maps depicted boundary determinations carried out between 1986 and 1988, depicted parcel lines and were drawn at more usable scale. This map series was signed by then Planning Director Donald Craig in 1988 and consisted of 583 sheets scaled at 1"=20'. Although signed in 1988, the Craig Maps did not receive final approval until 1992. The Monroe County Land Development Regulations, portions of which are adopted by Rule 28-20.021, F.A.C., and portions of which are approved by the Department of Community Affairs in Chapter 9J-14, F.A.C., were amended effective August 12, 1992. The Land Use District Map was revised to reflect the changes in this rule.

Effective August 12, 1992, the Property was rezoned Improved Subdivision (IS) District. At this time, within IS zoning, detached dwellings, commercial retail of low and medium intensity and office uses, and marinas are permitted uses either as of right or by major conditional use permit [Ref. Sec. 9.5-242]. All other uses within IS were rendered nonconforming uses, and nonconforming uses of land or structures were allowed to continue, however not allowed to be extended, enlarged, or relocated [Ref. Sec. 9.5-143].

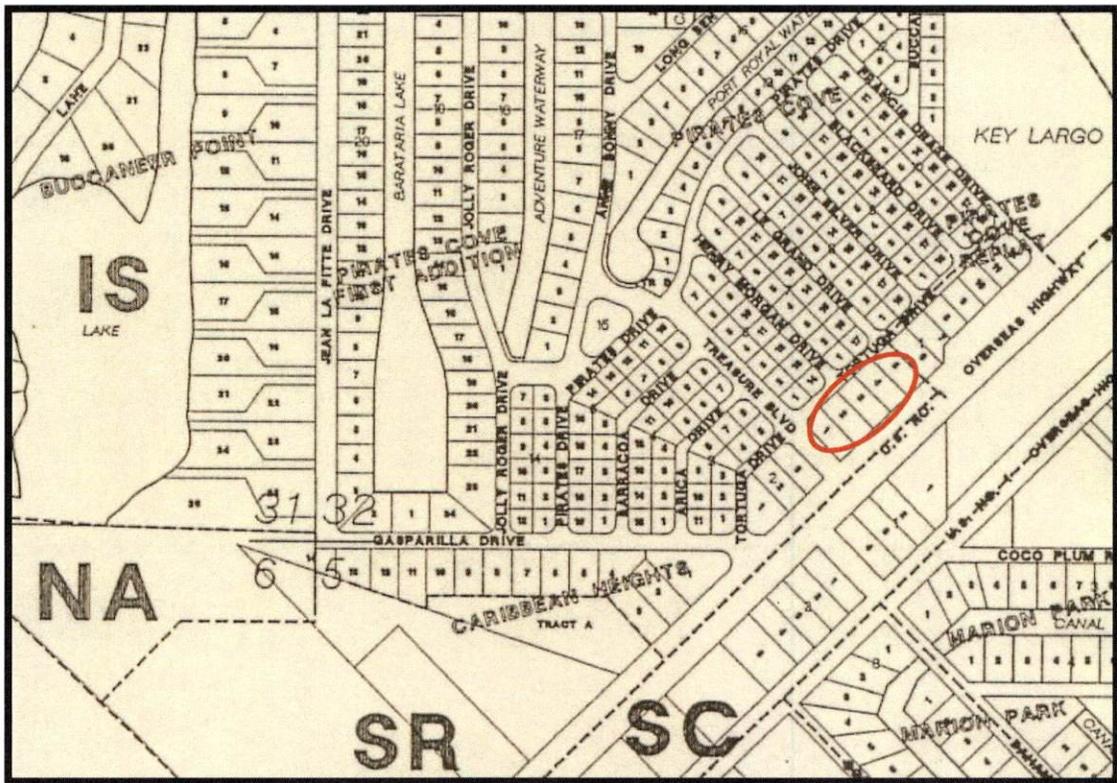

Figure 2. 1992 Criag Maps. Red oval added for identification.

In 2016, Ordinance #006-2016 approved and adopted the Monroe County Land Development Code (LDC) to be consistent with the proposed Monroe County Year 2030 Comprehensive Plan. The ordinance approved a revision to nonconforming uses within IS zoning; pursuant to LDC Section 102-56(a)(2): “Nonconforming nonresidential uses in OS, NA, SS, SR, SR-L, IS, IS-D, URM, and UR land use districts, which lawfully existed on January 4, 1996, may develop, redevelop, reestablish and/or substantially improve, provided that the use is limited in intensity, floor area, and to the type of use that existed on January 4, 1996 and is registered in accordance with section 102-55.”

Ordinance #006-2016 approved the following standards relevant to lawful nonconforming uses as part of LDC Section 102-56, which are consistent with current requirements:

- (b) *Ordinary repair and maintenance.* Normal maintenance and repair to permit continuation of nonconforming uses registered in accordance with section 102-55 may be performed.
- (c) *Expansions.* Nonconforming uses shall not be expanded. This prohibition shall be construed so as to prevent:
 - (1) Enlargement of nonconforming uses by additions to the structure in which such nonconforming uses are located; or
 - (2) Occupancy of additional lands; however, accessory uses associated with a lawful nonconforming principal use may be permitted if in compliance with all other provisions of the LDC.

Ordinance #006-2016 approved the following relevant terms as part of LDC Section 101-1 and are currently effective:

Accessory use or accessory structure means a use or structure that:

- (1) Is subordinate to and serves an existing principal use or principal structure; and
- (2) Each individual accessory use or accessory structure as well as in total/combined, is subordinate in area (for this definition docks, pools, pool decks, driveways are excluded from the total area), extent and purpose to an existing principal use or principal structure served; and
- (3) Contributes to the comfort, convenience or necessity of occupants of the principal use or principal structure served; and
- (4) Is located on the same lot/parcel or on a lot/parcel that is under the same ownership as the lot/parcel on which the principal use or principal structure is located; and
- (5) Is located on the same lot/parcel or on a contiguous lot/parcel as an existing principal use or principal structure, excluding accessory docking facilities that may be permitted on adjacent lots/parcels pursuant to section 118-12; and
- (6) Is located in the same land use (zoning) district as the principal use or principal structure, excluding off-site parking facilities pursuant to section 114-67.

Accessory uses include the utilization of yards for home gardens, provided that the produce of the garden is for a non-commercial purpose. In no event shall an accessory use or structure be established prior to the principal use to which it is accessory. With approval from the Planning Director, an accessory use or structure may continue if its principal use or structure is discontinued or removed for redevelopment, provided that the owner is moving forward with continual development and with active concurrent permits for redevelopment of a principal use or structure. Accessory uses shall not include second dwelling units or any other habitable structures that are occupied by a separate and independent resident.

Nonconforming structure, lawful means a structure which does not conform to a current provision or regulation provided in the Comprehensive Plan and/or this LDC, but was permitted, or otherwise in existence lawfully, prior to the effective date of the ordinance adopting the current provision or regulation that rendered the structure nonconforming.

Nonconforming use, lawful means a use which does not conform to a current provision or regulation provided in the Comprehensive Plan and/or LDC, but was permitted, or otherwise in existence lawfully, prior to the effective date of the ordinance adopting the current provision or regulation that rendered the use nonconforming.

Prior County Actions

On November 02, 1983, the Monroe County Board of Adjustment Resolution No. BA 83-82 approved a variance to the required BU-2U dimensional depth and square footage parcel requirements for a proposed rezoning to BU-2U from RU-1, on Lots 1 and 2, Block 1, Pirates Cove, of the Property.

In July 2014, Planning Staff issued a memorandum to Code Compliance regarding violations pertaining to outdoor storage and heavy industrial use of the Property. Specifically, the memorandum determined the following:

“The County has recognized/permitted a light industrial use on the property via the issuance of Building Permits #14916, #C13305 and #C19941. Therefore, the light industrial is considered a lawful, nonconforming use and may continue in accordance with the nonconforming use provisions set forth in MCC S102-56(a) through (f).

The outdoor storage of boats, vehicles, goods or materials associated with and accessory to the industrial marine engine repair business is permitted. Outdoor storage of goods and materials **not** associated with the primary light industrial use would be a primary storage area use. Displaying and selling vehicles, recreational vehicles, boats, campers, equipment, goods, materials and services outside of a building would be an outdoor retail sales use. **Staff could not find any evidence of a lawfully**

nonconforming primary outdoor storage use or outdoor retail sales use on the property. These types of uses are not permitted in the IS land use district.

It appears from the aerial photography that there are stored vehicles and structures located in the required setbacks. The boats and vehicles cannot be stored within the setbacks and must be removed. The subject property is located on the north side of US1 and also fronts Treasure Blvd and Tortuga Drive. Therefore the property has three 25' front yard setbacks along the US1, Treasure Blvd and Tortuga Drive right-of-ways and a 5' side yard setback along the northeast property line.

Junkyards are expressly defined as a heavy industrial use in the Monroe County Land Development Code. Heavy industrial use on the subject property is not permitted.” (**emphasis added**)

In October 2023, Planning Staff issued a memorandum to Code Compliance regarding violations pertaining to industrial and outdoor storage uses on the Property. Specifically, the memorandum determined the following:

- “On April 25, 1984, Monroe County Building Permit #C14916 was issued to construct a marine engine repair building on Lots 1 and 2, Block 1, Pirates Cove, on the property currently bearing Parcel ID#s 00493000-000000 and 00493010-000000.”
- “Note that there are no approved outdoor storage locations” on Lots 1 and 2, Block 1, Pirates Cove.
- “There is no approved use of Lot 3, Block 1, Pirates Cove (now assessed under Parcel ID# 00493010-000000).”
- “Staff has been unable to locate building permit records documenting the construction and approved use” on Lots 4 and 5, Block 1, Pirates Cove (now assessed under Parcel ID# 00493030-000000).
- “Light and heavy industrial uses are not permitted within the IS Land Use District.”
- “Monroe County Land Development Code Section 102-56 provides standards relevant to lawful nonconforming uses.”

Lawfulness Determination:

The information provided and available record files indicate that there has been an existing light industrial use (marine engine service and repair building) with associated covered and unenclosed light industrial use and outdoor storage on portions of the Property since at least 1984. The Property formerly included a commercial retail store from at least 1965 to at least 1982 which appears to have then been converted into a light industrial use (auto repair service) with associated covered and unenclosed light industrial use and outdoor storage until it was incorporated into the adjacent marine engine service and repair business. The use of the Property as such has continued through present day.

Lots 1, 2, 3, 4 and 5, Block 1, Pirates Cove, have a **lawfully existing nonconforming nonresidential light industrial use(s)** within Improved Subdivision (IS) zoning [Ref. LDC Sections 102-56 and 130-83]. Pursuant to LDC Section 102-56(a)(2):

"Nonconforming nonresidential uses in OS, NA, SS, SR, SR-L, IS, IS-D, URM, and UR land use districts, which lawfully existed on January 4, 1996, may develop, redevelop, reestablish and/or substantially improve, provided that the use is limited in intensity, floor area, and to the type of use that existed on January 4, 1996 and is registered in accordance with Section 102-55."

The Amended Land Development Regulations, which were adopted by the Monroe County Board of County Commissioners on February 28, 1986 included required setbacks. Further, in accordance with the current code, LDC Section 131-1, properties within the IS Land Use District are subject to a 25 foot primary front yard setback, a 15 foot secondary front yard setback, a 10 foot primary side yard setback, a 5 foot secondary side yard setback

and a 10 foot rear yard setback. Throughout this analysis, Staff has not located evidence of use permitted within the required setbacks. The permitted uses and structures are detailed below:

Based on a review of the above documents associated with the Property, the Planning and Environmental Resources Department has determined that a total of **4,108 square feet of nonresidential floor area with a light industrial use** was lawfully in existence on January 4, 1996 and a total of **9,775 square feet of outdoor light industrial use¹ (1,643 square feet of covered, unenclosed area and 8,132 square feet of accessory outdoor storage area)** was in existence on Lots 1, 2, 3, 4 and 5, Block 1, Pirates Cove, on January 4, 1996. These are broken down by Lot in the following manner:

- Lot 1 (previously aggregated for development with Lot 2 per permits C14916 & C19679) contains 2,000 square feet of nonresidential floor area;
- Lot 2 (previously aggregated for development with Lot 1 per permits C14916 & C19679) contains:
 - 1,600 square feet of nonresidential floor area;
 - 400 square feet of covered, unenclosed area
- Lot 3 (previously aggregated for development with Lots 4 & 5 per permit C16627) contains:
 - 3,632 square feet of accessory outdoor storage area;
 - 168 square feet of covered, unenclosed area
- Lot 4 (previously aggregated for development with Lot 5 per permits C11280, C13305, & C19941 and with Lots 3 & 5 per permit C16627) contains:
 - 508 square feet of nonresidential floor area
 - 1,075 square feet covered, unenclosed area
 - 950 square feet accessory outdoor storage area
- Lot 5 (previously aggregated for development with Lot 4 per permits C11280, C13305, & C19941 and with Lots 4 & 5 per permit C16627) contains 3,550 square feet of accessory outdoor storage

* * * * *

This letter does not provide any vesting to existing regulations. The replacement structures and any new accessory structures must be built in compliance with all applicable regulations of the Monroe County Code and Comprehensive Plan at the time of development approval. Furthermore, if the development is not replaced, but substantially improved as defined in the Monroe County Code, such development must be brought into compliance with all applicable regulations.

You may appeal any decision, determination or interpretation set forth in this letter pursuant to Monroe County Code Section 102-185. A notice of appeal must be filed with the County Administrator, 1100 Simonton Street, Gato Building, Key West, Florida 33040, within 30 calendar days from the date of this letter. In addition, please submit a copy of your notice of appeal to the Planning Commission Coordinator, Monroe County Planning and Environmental Resources Department, 2798 Overseas Highway, Suite 400, Marathon, Florida 33050.

We trust that this information is of assistance. If you have any questions regarding the contents of this letter or if we may further assist you with your project, please feel free to contact our Marathon office at (305) 289-2500.

Sincerely yours,

Devin Tolpin, AICP, CFM
Senior Director of Planning and Environmental Resources

ATTACHMENT 3

I am writing this letter on behalf of Chris Carson ,owner and operator of Chris Carson's Marine service. The purpose of this letter is to verify my personal knowledge of the conditions and use of the properties that Mr. Carson owns and has owned for many years.

The properties ,including lots one and two,block 1,that were purchased and zoned BU2 in 1984 were the site of the original business,"CCMS"for short that has been constant operation since then.

The properties Mr. Carson added to his holdings in 1986 are lots 3,4 and five,block 1,all these were in constant use by Walter Frielingsdorf doing business as Walter Auto Repair, since the early 1980s. Since Mr. Carson's purchase of the Walters Auto Repair property it has all been used in Chris Carson's business, work areas inside and out

,as well as outside storage. Again, I have personal knowledge of these businesses and properties since the early 1980s, I hope this clears up some misconceptions.

September 11, 2025

To All Concerned Parties.

I am Mary Navarrete I worked for Walter's Auto Shop in Key Largo Florida from April 1988 through May 1989 as a counter person estimator.

While working at the shop Walters property was a big shop it went from the south side of the property next to Chris Carsons all the way to the small apartment complex.

There were several bays, and with a vehicle lift at the back of the interior shop the property was always crowded with cars being worked for customers or projects the mechanics were working on. They utilized all the property for parking of customers' cars waiting to be worked on, or if parts were waiting to arrive to finish a job. Plus, they had a tow truck that brought in accident vehicles which normally had to be parked until adjusters came to examine the units before work could begin on them.

I remember when the guys had to extend the rear cement slab in the back to fence line, so there was a proper location to do oil changes to make sure, no fluids ran off into the ground. My young daughter was there that day and was allowed to put her handprints in the cement when it was still wet with her name.

That was a busy auto shop but when Walter was planning on selling and 2 of the main mechanics were going to be moving out of the area, I changed jobs. So, in reference to the property, all of that land was used for the auto shop, none was left unutilized.

If I can, assist with any further information just contact me still live in Key Largo.

Sincerely,

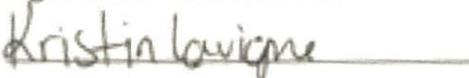

Mary Navarrete

To All Concerned Parties.

I am Mary Navarrete I worked for Walter's Auto Shop in Key Largo Florida from April 1988 through May 1989 as a counter person estimator.

While working at the shop Walters property was a big shop it went from the south side of the property next to Chris Carsons all the way to the small apartment complex.

There were several bays, and with a vehicle lift at the back of the interior shop the property was always crowded with cars being worked for customers or projects the mechanics were working on. They utilized all the property for parking of customers' cars waiting to be worked on, or if parts were waiting to arrive to finish a job. Plus, they had a tow truck that brought in accident vehicles which normally had to be parked until adjusters came to examine the units before work could begin on them.

I remember when the guys had to extend the rear cement slab in the back to fence line, so there was a proper location to do oil changes to make sure, no fluids ran off into the ground. My young daughter was there that day and was allowed to put her handprints in the cement when it was still wet with her name.

That was a busy auto shop but when Walter was planning on selling and 2 of the main mechanics were going to be moving out of the area, I changed jobs. So, in reference to the property, all of that land was used for the auto shop, none was left unutilized.

If I can, assist with any further information just contact me still live in Key Largo.

Sincerely,

Mary Navarrete
